Sir:

In reply to the Office Action mailed September 11, 2001, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend claim 1 as follows:

1. (Once Amended) A disc changer for use in a disc player comprising:
- a disc storing means for storing a plurality of discs in a disc arrangement direction;
- a disc drawing means for drawing a selected disc from the disc storing means to a reproducing position within the disc player;
- a transporting means for transporting the disc drawing means in the disc arrangement direction,
- wherein the transporting means comprises moving member(s) movable in a direction perpendicular to the disc arrangement direction, such that with the movement of the moving member(s), the disc drawing means can be moved to a height
